Health plans are offered or underwritten or administered by Aetna Health Inc. (Texas) (Aetna). Aetna is part of the CVS Health family of companies.

## Footnotes

**After deductible (AD)** is the amount the member is responsible for after the deductible is met.

**Deductible waived (DW)** means that the deductible does not have to be met before the plan starts paying for eligible services.

**Bronze, Silver and Gold plans** all have the same medical services. The key differences among the plans are the deductible amount, out-of-pocket costs for benefits before the yearly limit, cost-share amounts, and monthly premium.

Some benefits are subject to age and frequency schedules, limitations or visit maximums. Members or Providers may be required to precertify or obtain approval for certain services. Deductibles, copays and coinsurance apply to the out-of-pocket limit (OOP). After the out-of-pocket limit is met, members continue to be responsible for any applicable premiums, penalties for failure to precertify (where applicable) and services not covered by Aetna. This illustration shows in-network benefits only for all products. Your plan may have out-of-network coverage as well, please consult the Summary of Benefits and Coverage (SBC) for additional information.

On-Exchange plans do not include pediatric dental benefits. Plans are available with or without pediatric dental benefits when purchased off-Exchange directly from Aetna®. Stand-alone pediatric dental plans are available on-Exchange (variable by state).

- \* **Walk-in clinics** - Walk-in clinics are freestanding health care facilities that (a) may be located in or with a pharmacy, drug store, supermarket or other retail store; and (b) provide limited medical care and services on a scheduled or unscheduled basis. Urgent care centers, emergency rooms, the outpatient department of a hospital, ambulatory surgical centers, and physician offices are not considered to be walk-in clinics. For a complete list of participating walk-in clinic providers, log in to AetnaCVSHealth.com and use our provider search tool.
- \*\* **Pharmacy** - The drug formulary includes precertification, step therapy and quantity limits. Choose Generic: For PPO based plans the cost difference penalty for choose generics does not apply to the members accumulators. For HMO based plans the cost difference penalty does apply to the members accumulators. For specific details, consult the Summary of Benefits and Coverage (SBC).
- \*\*\* **Embedded** - No one family member may contribute more than the individual deductible/out-of-pocket limit amount to the family deductible/out-of-pocket limit. Once the family deductible/out-of-pocket limit is met, all family members will be considered as having met their deductible/out-of-pocket limit for the remainder of the year.

Product Types	Description
<b>Health maintenance organization (HMO)</b>	A health maintenance organization (HMO) uses a network of participating providers. Each enrolled family member selects a primary care physician (PCP) participating in the network. The PCP provides routine and preventive care and helps coordinate the members total health care. The PCP may refer members to participating specialists and facilities for medically necessary specialty care. Only services rendered by a participating provider are covered, except for emergency or urgently needed care.

**Health plans are offered or underwritten or administered by Aetna Health Inc. (Texas) (Aetna). Aetna is part of the CVS Health family of companies.**

Includes select MinuteClinic® services. Not all MinuteClinic services are covered. Please consult benefit documents to confirm which services are included. Members enrolled in qualified high-deductible health plans must meet their deductible before receiving covered non-preventive MinuteClinic services at no cost-share. However, such services are covered at negotiated contract rates. This benefit is not available in all states. Aetna and MinuteClinic, LLC (which either operates or provides certain management support services to MinuteClinic-branded walk-in clinics) is part of the CVS Health family of companies.

This material is for information only Rates and benefits may vary by location. Health benefits plans contain exclusions and limitations. Providers are independent contractors and not agents of Aetna.
