

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage at [harborhealthresources](#) or call Member Services at 1-855-481-0225. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment deductible](#), [provider](#), or other [underlined](#) terms, see the Glossary. Important Questions	Answers	Why This Matters:
<a href="#">What is the overall deductible?</a>	<a href="#">Network</a> : Individual \$9,900 / Family \$19,800	Generally, you must pay all the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<a href="#">Are there services covered before you meet your deductible?</a>	Yes. Certain office visits, <a href="#">Preventive care/screening</a> , <a href="#">Urgent care</a> and prescription drugs in- <a href="#">network</a>	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this plan covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://healthcare.gov/coverage/preventive-care-benefits/">https://healthcare.gov/coverage/preventive-care-benefits/</a> .
<a href="#">Are there other deductibles for specific services?</a>	No	You don't have to meet <a href="#">deductibles</a> for specific services.
<a href="#">What is the out-of-pocket limit for this plan?</a>	For <a href="#">network providers</a> \$10,150 individual / \$20,300 family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<a href="#">What is not included in the out-of-pocket limit?</a>	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<a href="#">Will you pay less if you use a network provider?</a>	Yes. See <a href="#">HarborHealthNetwork</a> or call 1-855-481-0225 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<a href="#">Do you need a referral to see a specialist?</a>	No.	You can see the <a href="#">network provider</a> / <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
